

GMP 2019 Reserved Drag Strip Parking Registration Form

Gateway Motorsports Park will offer reserved pit parking for the following 2019 E.T. Championship events. Please retain one copy of this reserved parking form for your records as a reminder of dates your space will be held. Please be advised that this does not guarantee that your space will be held on special events, co-promoted events and/track rentals.

In the event that a special feature is added to one of the dates listed below, please be advised that we reserve the right to relocate your reserved spot for the date(s) the special features will be held. In this situation, a representative from Gateway Motorsports Park will contact you in advance of the event and will offer you a 'best available' spot.

Each reserved parking space will be issued a hang tag for one tow vehicle and one support vehicle to gain access to the pit area. Your tow and support vehicle must park inside the confines of your pit spot.

The cost is \$200 per spot. *Please print in ink, fill out completely and mail to Gateway Motorsports Park, Attn: Taryn Bailey, P.O. Box 200, Madison, IL 62060 with payment.*

Schedule is subject to change. Please consult our website and Facebook page for updates and additions.

Please note: If a date is not listed on the above sheet (such as Nostalgia Rendezvous, UBDRA or Lucas Oil) that means the reserved spots are not available.

In order to park in a reserved pit spot, the tow vehicle hang tag must be displayed clearly on the vehicle dash so that we can properly enforce the pit parking policy.

All reserved spaces are subject to final approval before parking hang tags will be issued.

Parking credentials will be distributed on March 23 at the registration trailer.
